SUMMARY

Results-driven GTM and Growth professional with 4+ years of experience across B2B SaaS, digital services, staffing and hospitality markets. Skilled in building outbound growth systems, revenue funnels, and AI-driven GTM strategies across global markets including the US, UK, EU and APAC. Generated 2000+ outbound leads, closed 25+ deals with $10K ACV and built acquisition campaigns producing 1000+ leads/month with CAC under $50. Experienced in RevOps, pipeline optimization, ICP targeting and multi-channel prospecting, aligning sales, marketing and operations to drive revenue growth.

WORK EXPERIENCE

RevOps Manager → GTM Operations Manager - CrewBloom **Nov 2024 - Jun 2026**

- Oversaw end-to-end Go-To-Market operations and optimized a CRM pipeline of 2000+ outbound leads across SaaS and tech accounts while closing 25+ deals with $10,000 ACV on average.
- Increased outbound pipeline conversion by 30% through refined ICP targeting, automated sequences via Claude Code, Salesforce and multi-channel outreach via Apollo, Clay, Lemlist and LinkedIn.
- Led revenue funnel improvements that reduced average sales cycle by 22% while improving lead-to-close velocity and enabling more predictable pipeline forecasting.

Account Executive - Starwebtek **Jun 2024 - Oct 2024**

- Closed international B2B SaaS deals worth $5,000+ ACV across US, UK, EU and APAC markets through strategic outbound prospecting, cold email campaigns and discovery-led selling.
- Improved SQL-to-deal conversion by 18% through needs-based qualification, competitor benchmarking and consultative product walkthroughs.
- Generated 150% growth in LinkedIn engagement through targeted content and warm prospecting, increasing inbound interest and repeat product demos.

SDR → AE → Account Manager - Lunch at Emran's Heritage Home **Mar 2022 - May 2024**

- Managed inbound and outbound sales for 6,000+ customers, generating $2,500+ MRR through consultative selling, upselling, cross-selling and direct outreach.
- Progressed from SDR to Account Executive to Account Manager while leading a 6-member team and supporting customer acquisition, pipeline growth and account expansion.
- Increased monthly profit by 42% through strategic account management, customer retention initiatives and targeted offers across key customer segments.
- Improved repeat purchase rates by 32% through relationship management, follow-ups and CS.
